SUMMARY

Certified penetration tester (Security+, CWES) with a Master's in Cybersecurity and 4 years of enterprise experience. A recent 1st-place CTF winner with an offensive mindset, I specialize in auditing complex infrastructures, identifying critical vulnerabilities, and continuously pushing technical boundaries.

PROFESSIONAL EXPERIENCE

GM SARL   Dec 2020 – Dec 2024
Cybersecurity Consultant & Email Security Specialist   Tangier, Morocco
- Architected and deployed email authentication frameworks (SPF, DKIM, DMARC) across 20+ enterprise domains, reducing successful phishing attacks by **90%**.
- Conducted Black/Gray Box penetration tests, identifying critical vulnerabilities in web applications and network infrastructure.
- Led advanced OSINT investigations for threat profiling and spearheaded the company's new branch operations in Istanbul, Turkey.
- Delivered cybersecurity awareness training sessions for over 100 employees.

EcoSmart Business   Aug 2019 – Feb 2020
Web Security Developer (Intern)   Beni Mellal, Morocco
- Developed secure web applications adhering to "Security by Design" principles and **OWASP Top 10** mitigation strategies.
- Conducted comprehensive code reviews and manual security audits, remediating critical vulnerabilities (SQL Injection, XSS, CSRF).

SKILLS

Offensive Security : Web/Network/Mobile Pentesting, AD Exploitation, Bug Bounty, Android Reverse Engineering, OSINT
Tools & Defense : Burp Suite, Metasploit, Cobalt Strike, BloodHound, Nessus, Splunk (SIEM), EDR, Wireshark
Tech & Standards : Python, Bash, PowerShell, Rust, C#, OWASP Top 10, MITRE ATT&CK, ISO 27001, PTES

MAJOR PROJECT

CloudReaper | *Cloudflare Bypass & Reconnaissance Tool*
- Developed a professional offensive tool exposing origin IP addresses behind Cloudflare using advanced OSINT techniques (DNS history, SSL certificates, SPF).
- Designed a high-performance, multi-threaded Python architecture featuring an intelligent verification engine with multi-factor scoring.

CERTIFICATIONS

Security+ CompTIA | **CWES** HTB | **CRTA** CWL | **ISO/IEC 27001:2022 Associate** SkillFront

EDUCATION

Data Protect / SkillsLab (JobInTech)   Aug 2025 – Dec 2025
Intensive Bootcamp: Advanced Penetration Testing & Red Teaming   Casablanca, Morocco
SUPEMIR   2024 – 2025
Master's in Communication Systems, Datacenter & Cybersecurity   Casablanca, Morocco
FST Settat   2019 – 2020
Professional Bachelor's Degree in Cybersecurity   Settat, Morocco
ISTA NTIC   2016 – 2019
Specialized Technician Diploma in Software Development   Beni Mellal, Morocco
